

COVID-19 Travel Participant Waiver

I understand and agree that my participation in my chosen tour involves certain risks and that regardless of the precautions taken by Classical Movements, the nature of the tour may expose me to hazards or risks and illness, injury or death may occur. Specific risks and hazards involved in the tour activities include, but are not limited to, injuries received during travel to or from the destination.

The tours are made up of multiple components and numerous suppliers. We are crossing boundaries. There are different and ever-changing rules and conditions for countries, states, cities and counties and Classical Movements will do our best to stay informed and advise all travelers of relevant requirements when traveling and to relay any specific protocols and terms and conditions that countries, airlines, hotels, restaurants, transportation companies, and other tour partners are taking subject to change.

I understand and agree that Classical Movements has engaged the services of airlines, hotels, restaurants, transportation companies and other tour partners which are not its employees or agents. The responsibility of Classical Movements is limited, and Classical Movements and its staff members are held free of liability for loss, injury or damage to person or property from any cause which is not due to a Classical Movements' negligence or willful misconduct. Classical Movements is not responsible for losses caused by strikes, service interruptions, or other delays, actions, events and circumstances beyond its control, such as the acts or omissions or the failure to cooperate by any third party, fires or other casualties, acts of God, strikes or labor disputes, epidemic, war or other violence, or any laws, orders or requirements of any governmental agency or authority.

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people. Pandemics are beyond Classical Movements control and we cannot offer any guarantees that airlines, airports, hotels, restaurants, venues, parks, and every place and people are fully safe. By participating in the tour, I understand being in contact with other people and accept that this is entirely at my own risk, and that I will be solely responsible and prepared to cover any out of pocket medical expenses, quarantine incidentals, or any other expenses related to COVID-19. By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by participating in the tour, whether a COVID-19 infection occurs before, during, or after the tour. Classical Movements is not responsible for any death, injury or other loss suffered or caused by you resulting from contracting COVID - 19 or being in contact with other people that have contracted the virus on tour.

I understand and agree that Classical Movements cannot be expected to control all of the risks articulated in this form.

I am fully aware that there are inherent risks involved with the tour activities and I know of no medical reason why I should not participate.

Classical Movements strongly recommends travel trip cancellation and interruption insurance. All travelers must understand that it is their sole responsibility to read and understand all portions of the insurance policy, including disclaimers, policy limits, exclusions and conditions that may render any or all of my claim invalid or any or all items not able to be covered. This can include, but is not limited to, Cancel for Any Reason, Cancellation, Interruption and any time-of-deposit vs claim submission or policy purchase timelines. Examples of two insurance companies that are currently offering Cancel For Any Reason insurance are www.travelinsured.com and www.trawickinternational.com and there may be others. Classical Movements does not endorse, recommend, or promote a specific travel insurance supplier. You will need to make your own determination on which supplier to use. Further, you may become liable for additional incurred expenses as a result of quarantine, travel delay en route to, from, or during your trip, trip interruption, airline reissue fees, missed flights due to extra screenings at the airport for COVID-19, medical expenses, screenings and tests for COVID-19, and other costs not included in your tour or covered by your insurance policy. Classical Movements will not cover the costs. If there is anything not covered by your travel insurance policy or lack of travel insurance policy, you have to pay for it.

In consideration of my participation in the tour, I hereby accept all risk to my health and of my injury or death that may result from such participation and I hereby release, waive, discharge, and covenant not to sue, and agree to hold harmless Classical Movements, its governing board, officers, employees and representatives from any and all liability to me, my personal representatives, estate, heirs, next of kin, and assigns for any and all claims and causes of action for loss of or damage to my property and for any and all illness or injury to my person, including my death, that may result from or occur during my participation in the tour, whether caused by negligence of Classical Movements, the Institution, its governing board, officers, employees, or representatives, or otherwise. I further agree to indemnify and hold harmless Classical Movements, its governing board, officers, employees, and representatives from liability for injury or death of any person(s) and damage to property that may result from my negligent or intentional act or omission while participating in the described tour.

I acknowledge and represent that I have read this waiver, understand it, and agree to it voluntarily as my own free act and deed; no oral representations, statements, or inducements, apart from the foregoing agreement that has been reduced to writing have been made. I execute this document for full, adequate, and complete consideration fully intending to be bound by the same, now and in the future. I represent that I am eighteen (18) years of age or older and am otherwise competent to execute this agreement or I am agreeing on behalf of my minor child.
